

# COMPOUND DX-1026

## TECHNICAL DATA SHEET

### **DESCRIPTION:**

**COMPOUND DX-1026** is a convenient-to-use neutral pH liquid designed for the removal of rust and inorganic soils from ferrous surfaces.

### **PROPERTIES:**

Appearance:	Clear, off-white liquid with a mild odor.
Specific Gravity:	1.26
pH (100%):	6.6 – 7.0
Foam:	Low
Metal Safety:	Safe at use conditions for ferrous alloys. Pretesting is advisable for metals other than ferrous.

### **APPLICATION:**

**COMPOUND DX-1026** is used in immersion tanks at 10 to 15% by volume, 120°F. to 180°F. Time of immersion is normally from 1 to 20 minutes, but longer contact time may be required dependent upon the extent of the rust. Precleaning with an alkaline detergent such as Madison Chemical Company's **COMPOUND HT-50** may be necessary.

Follow **COMPOUND DX-1026** treatment with a thorough clean water rinse. The pH of **COMPOUND DX-1026** solutions should be maintained at 6.5 – 8.0 for optimum results. Under normal conditions, this pH range will be maintained automatically by concentration upkeep.

For additional information in adapting **COMPOUND DX-1026** to your particular need, please contact your Madison Chemical Company technical representative.

### **PRODUCT CAUTIONS:**

Warning! May cause skin or eye irritation. May be harmful if swallowed. Contains inorganic salts.

### **EMERGENCY FIRST AID:**

**EYES & SKIN:** Immediately flush with large quantities of cool water continuously for at least 15 minutes. Call a physician. Remove contaminated clothing and shoes. Do not put contaminated clothing and shoes back on. Wash clothing and shoes thoroughly in soap and water; rinse repeatedly in clean water and dry before reuse.

**INGESTION:** Do not induce vomiting. Give water. Never give anything by mouth to an unconscious person. Call a physician.

**INHALATION:** Move subject to fresh air and get medical attention.

If use is contemplated for purposes other than, or by methods different from those specifically recommended herein, please contact the manufacturer for advice.

**FOR INDUSTRIAL USE ONLY – KEEP OUT OF THE REACH OF CHILDREN.**
